

Letter to Manifest Your Twin Flame

The following is an *example of the type of letter* to write in order to manifest your Twin Flame and Divine Perfect Relationship. Study it carefully. In *my* letter, I list qualities that are *important to me*. In *your* letter, *you* will list qualities that are *important to you*. Be *specific* about what you expect. Read your letter three times per day, morning, noon, and at sunset.

Dear God, Jesus, and The Universe:

As with anything I say or do, please *use* me as a channel to promote Thy glory and goodness. Let the words, wisdom and knowledge be Thine.... and *not* mine. Let them flow *through* me.... from Thee.... in a Divine Perfect Way.

I am a Spiritual Being becoming *all* that I can be, and because I have finally come to the realization that love is... **Life's Only Valuable Experience**, I humbly ask that your Sacred Heart grant my request. To experience my life to the fullest, and for the completion of my soul essence, I am now ready to *manifest and receive* my Twin Flame *and* my Divine Perfect Relationship.

My Twin Flame is attractive, gracious, generous, intelligent, healthy, wealthy, wise, and wonderful. He is spiritual, and his love for Thee, and me, is unwavering. He is an affectionate gentleman who appreciates receiving affection from me. He is genuinely interested in my health and welfare. On a daily basis, he happily provides all the material abundance that I need, want, and desire as is written in your sacred text – seventy times seven.

Together, *we are money magnets* and *always* create the material abundance necessary to have *everything we both* need, want and desire. His greatest pleasure is loving and pleasing me. He and I will always enjoy family and cultural events, traveling, and shopping *together*. He appreciates and approves of my work. He wants, and likes to help, motivate, and support me with *all* of my personal and professional endeavors. He always realizes and appreciates the fact that I return all of these wonder-filled qualities to him, in a Divine Perfect Way!

My Twine Flame is a combination of the *best* qualities of every *Soul Mate* I have ever known and loved throughout my soul's existence. If there are any Divine Qualities I have neglected to think of or request, I know and believe that within Your Divine Wisdom and Generosity, You *will* lovingly provide them for me.

My Divine Perfect Relationship is one of *mutual* love, respect, trust and admiration. Every moment of *every* day, may the relationship is filled with *mutual* passion, thoughtfulness, kindness, consideration and compassion for one another... and I further believe that what God creates, no one can ever destroy.

Heavenly Father, I ask this is the name of Jesus Christ, Our Lord, and I accept it as already having been done in a Divine Perfect Way. Thy Will be done, O Lord, not my will, but Thy will be done. - Amen. TYG ☺

May God Bless All My Manifestations ☺

With prayers, blessings, love, and rainbows,

Stacey Dean, PMAFA, C.H.T.
